

Chickamauga Chase 5k

Chickamauga Battlefield, GA

USATF GA07008WC

Start: On Glenn-Viniard, roughly one-tenth mile East of the entrance to the Wilder Tower Parking Lot, Mark is exactly 278 feet East of the large stone culvert which allows the creek to pass under the road.

1-mile: On Chickamauga-Vittatoe, roughly one-tenth mile before the horse unloading area. Mark is 22 feet past the metal "Harker's Brigade" sign, which sits 15 feet off the left edge of the road.

2 1/4 k: On Dyer Road, 198 feet before the stop sign at the intersection with Glenn-Kelly.

2 mile: On Glenn-Kelly at the base of Lytle Hill, 184 feet before the 1st of 2 cannon (on the right) that belong to the 11th Battery, Indiana Light Artillery

Dogleg turnaround: On Chickamauga-Vittatoe, 216 feet after entering the field, and 10 feet 2 inches before the first stone culvert in that field.

3-mile: On Wilder Road, 130 feet before the stop sign on the left, at intersection with Glenn-Viniard, and 51 feet 8 inches after "Wilder Monument Car Parking" sign on right.

5 k: After turning left into the Wilder Tower parking entrance road, mark is exactly even with where the concrete curb starts on the left.

Expanded view of the dogleg turnaround.
Race management *must* place a cone at the turnaround point, it must be monitored, and all runners must wrap around the cone.

Each mile is marked with one washer on each side of the road. Exception: the dogleg turnaround also has one washer in the middle of the road. NOTE: do not confuse these marks with the Marathon mile markers, which use 2 washers on each side of the road.

The runners have full use of the roadway, from one edge of the pavement to the other.

Course Narrative
Start on Glenn-Viniard
Veer right onto Wilder Road
Veer left at triangle onto Chickamauga-Vittatoe
Right onto Dyer Road
Right onto Glenn-Kelly Road
Turn right at triangle onto Chickamauga-Vittatoe

Notice to Race Director
Use this Certification Code in *all* public
announcements relating to your race.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a validation remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year **2017**
